GINA BOMEISLER, L.P.N. :	:
LICENSE # NP 05138000 :	CONSENT ORDER
:	:
TO PRACTICE NURSING IN THE :	:
STATE OF NEW JERSEY :	:

This matter was opened to the New Jersey State Board of Nursing (" Board") upon receipt of respondent's application for reinstatement of her nursing license. From a review of

respondent's application for reinstatement, and the Certification and Authorization Form for a Criminal History Background Check, it was ascertained that respondent checked "no" in response to the question as to whether she had ever been convicted of a crime or offense. The results of the background check indicate, however, that respondent has been arrested three times, including two arrests in 1985 and 1988 respectively, one of which was for a failure to appear, where the charges were apparently dismissed. In 2006 there was a third arrest, which resulted in a conviction for two municipal ordinance violations, and sentenced to a total of \$2,419.00 in fines and assessments. According to Ms. Bomeisler, the charges resulted from a dispute with neighbors sparked by complaints by neighbors about her sons playing music, which led to the parties shouting at one another.

The Board finds that respondent knew or should have known that by checking "no" on the Certification and Authorization Form in response to the question about arrests and convictions, she was providing inaccurate information. Accordingly, the Board finds that Ms. Bomeisler engaged in misrepresentation on her application in violation of N.J.S.A. 45:1-21(b).

The Board finding that there is good cause for the entry of this order, and that the within order is sufficiently protective of the public health, safety and welfare, in lieu of further proceedings and for other good cause shown;

IT IS on this 8th day of October, 2013

HEREBY ORDERED AND AGREED that:

1. A civil penalty in the amount of \$500.00 is hereby imposed upon respondent for the violation of N.J.S.A. 45:1-21(b). Payment shall be in the form of a certified check or money order, made payable to the State of New Jersey, and shall be submitted simultaneously with this signed order.

2. Respondent's petition for reinstatement of her license to practice nursing in New Jersey is granted upon review and approval of a completed application for reinstatement along with the requisite fees, information and the required Criminal History Background Check, if not already submitted.
